CoVaBIZ has partnered with VOLUNTEER Hampton Roads for the Civic 50 Hampton Roads business recognition program. The Civic 50 is a national initiative established by Points of Light that honors community-minded companies as determined by an annual survey administered by True Impact. This program is one of a select few regional Civic 50 initiatives in the U.S.

Companies are selected for The Civic 50 based on four dimensions of their community engagement program: Investment of Resources, Integration Across Business Functions, Institutionalization Through Policies and Systems, and Impact Measurement. In addition, the top company in each business size category (small, medium and large) receives special recognition.

Expand upon your recognition with a Display Ad within the December/January issue of CoVaBiz.

In addition, you will be highlighted within CoVaBiz Break sponsored content to expand upon your Civic 50 recognition.
